DRAFT AGENDA

Objective: To building agreement on a recommendation and final PACT message

8:30 Welcome, Introductions and Agenda and Schedule review

8:45 Alternatives as they stand now (includes improvement from the ‘will’ list) - north and south – *review of the alternatives, reminder of the alternatives and the improvements made through the PACT process (‘will’ list of improvements); ‘walk down the road’ to remember what all the elements are*

9:45 Denver PACT Caucus work – proposal – *Denver Caucus has been working on a possible proposal to better address all the interests*

10:15 Break

10:30 Build Agreement on a Recommendation – *discussion to see if agreement on a shift, elements necessary to agree to that shift and conditions that must be met (these may include things CDOT & FHWA can address or may be things only a third-party or PACT member organization can address)*

- The shift - north or south?
- Conditions that need to be addressed in order to agree (what ifs by CDOT and by other third-parties)
- What happens if the conditions are not met

11:30 Public Comment Session

Process: Public that wish to speak will sign-up at the beginning of the meeting; speakers will be given 2 minutes depending on the number of speakers. If there is not time for everyone signed up to speak, the facilitators will select a subset of the speakers to ensure that the PACT hears a range of topics.

12:00 Lunch – *a \$10 lunch will be available, sign up/pay in the am*

12:30 Continue Building Agreement on a Recommendation

1:30 Break

1:45 Messaging – **The PACT’s final message on their recommendation and process** – *what does the PACT want to say publically about the process and their final work*

2:45 Next Steps & Closing thoughts - *Process forward for FHWA/CDOT*
