

**I70 East PACT**  
**Swansea Recreation Center, Denver**  
**2650 East 49<sup>th</sup> Avenue, Denver, CO 80216**  
**August 12, 2010**  
**2:00p.m. – 6:00p.m.**

**Agenda**

**Objectives:**

- To receive and understand more project data, that data requested and exists in the DEIS or other documents.
- 

**2:00 Welcome, Introductions and Agenda review**

**2:10 Interests List – Review/Revision**

*Purpose: to review/revise the interests list. This interests list will become the criteria for improving and evaluating alternatives. The interest list is a compilation of interests mentioned at the first PACT meeting, Business Workshop, Community Workshop, and assessment interviews in the fall of 2009.*

**2:40 Data Presentations:**

- **Property Acquisition and Relocation**

*Purpose: to understand the relocation/acquisition process and compensation for residential properties.*

- **DRCOG Model – 101**

*Purpose: to understand how future traffic volumes for different alternatives were calculated.*

**4:00 BREAK**

**4:15 Public Comment Session**

*Process: Public that wish to speak will sign-up at the beginning of the meeting; speakers will be given 2 minutes depending on the number of speakers. If there is not time for everyone signed up to speak, the facilitators will select a subset of the speakers to ensure that the PACT hears a range of topics.*

**4:35 Data Presentations: Continued**

- **Traffic Volumes**

*Purpose: to learn about the existing traffic volumes and volumes expected in the alignment options.*

- **RTD Stations and Lines**

*Purpose: to understand the locations of the RTD facilities in relation to the I-70 East project.*

## **5:50 Next Steps**

Next Meeting: September 9, 2010; 8:30 a.m. - 4:30 p.m., Swansea Recreation Center

### ***Purpose:***

- Improve the alternatives - identify key benefits/opportunities of each alternative alignment
- Identify challenges/concerns
- Improve the alignment alternatives to address the concerns

## **6:00 Adjourn**

**Data Handouts:** *This is data requested that exists already in the DEIS or elsewhere. The PACT will walk through this data if time allows.*

- **Noise**
- **Zoning Map(s) along corridor**
- **Tolling Revenue**
- **Cost Breakdown**
- **Air Quality**
- **46<sup>th</sup> Design**
